**Re: Bayway Refinery Complex Site Remediation:
January through June 2022 Semiannual Progress Report
Bayway Refinery Complex
SRP PI# 008282**

Dear Mr. Renzulli:

Enclosed please find one original and one electronic copy of the January through June 2022 Semiannual Progress Report (1H 2022 SAPR) for the Bayway Refinery Complex. This 1H 2022 SAPR has been prepared on behalf of ExxonMobil Environmental and Property Solutions Company (ExxonMobil) by Kleinfelder Inc.

Please sign the attached New Jersey Department of Environmental Protection (NJDEP) Traditional Oversight Form and provide the original and one electronic copy to the NJDEP Case Manager, Charles Zielinski. An additional electronic copy of the report is provided for your records.

The 1H 2022 SAPR includes the following recommendation that ExxonMobil Environmental and Property Solution Company is requesting approval to implement:

- Section 5.11 – Sludge Lagoon Operable Unit Remediation:
 - Discontinue the annual submittal of ground water elevation contours.

Please contact me at (703) 963-7132 if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Maureen Forlenza", with a long horizontal flourish extending to the right.

Maureen Forlenza
Bayway Team Lead Project Manager
